

**Imagine you had to
live through a natural
disaster. What would it
be, and why?**

Tell me about it.

**How do you feel about
the future of the human
race?**

What is our fate?

Imagine you have been given the power to change one historical event.

What event would you pick and how would you change it?

What makes you so good at your job?

What is your greatest accomplishment in that role?

Imagine you just won the lottery. What one special thing would you allow yourself? What would you do with the rest of your winnings?

**What sort of talent
contest are you best
suited to win?**

**Tell me why you would
win.**

Imagine you had the ability to communicate a short message to everyone on Earth at the same time.

What would you say, and why?

You have control over a Fortune Cookie factory for the day.

What are some of the fortunes you would write?

**What is your favorite
time of the year?**

**Are there certain
events, memories, or
people that make it so
special?**

Imagine your home is burning and you only have time to save three items before everything else is destroyed.

What three items would you save?

**Imagine you have a
time machine.**

**Would you rather travel
back in time or travel
into the future? Why?**

Imagine you lost one of your senses.

Which sense would you choose to lose if you had to? Which would be the most difficult to lose?

**Thinking back, what is
a childhood nightmare
you remember clearly?**

What made it so scary?

Thinking back, what is the best childhood birthday memory that you have?

What about the best birthday present you received?

**Thinking back, what
did you always want
to grow up to be when
you were a child?**

**What inspired that
dream?**

Thinking back, what was your favorite way to spend the weekend as a child? Why?

Thinking back, what is the happiest memory you have about a pet or loved one as a child?

If you could share one of your dreams with any other person, what dream would you share, and who would you share it with?

Imagine your dream restaurant that only served your favorite foods.

**What is on the menu?
What is the name of the restaurant?**

What is your favorite book or movie? What makes it so special to you?

Do you continue to read or watch it on a regular basis?

**Imagine you could read
anyone's mind for 24
hours.**

**Whose mind would
you choose to read, and
why?**

Imagine that you are given one super power other than flight for a single day.

What super power would you choose and what would you do?

Imagine you had the ability to trade places with someone else for one day.

Who would you trade places with, and why?

Is it ever okay to break the law?

If so, when is breaking the law justified? If not, what would it take to make you change your mind?

Imagine that you just woke up.

What do you do as your normal morning routine? What happens when you have to skip that routine?

Imagine you had the power to bring back any one animal from extinction.

Which animal would you choose, and why?

**Imagine you had to
train a new person with
no knowledge of your
field or business how to
do your job.**

**How would you teach
them the job?**

**Imagine you were
forced to choose how
you had to die exactly
five years from now.**

How do you die? Why?

**Imagine you could have
a conversation with
anyone from history.**

**Who would you talk
with and what would
you talk about?**

Imagine you had the power to “re-do” one thing. Re-make one movie, re-play one baseball game, re-write one novel. What would you have re-done or tried again?
